Key Points Discussed

| 1 | Requirements Matrix: | | |
|---|--|--|--|
| | Discussion took place regarding the need to complete all PM tool requirements or just | | |
| | those that apply to resource planning. After the meeting, Gaye clarified with Glen that | | |
| | each agency should complete all areas if possible, but at a minimum complete the | | |
| | resource planning requirements and forward to Glenn by 9/22. | | |
| | Action item updates: | | |
| 2 | Glenn was unable to attend the meeting; however, he will forward the draft scope | | |
| | statement to the team | | |
| 3 | Other topics: | | |
| | Discussion took place regarding how this project fits with other efforts by the EPMO; | | |
| | i.e. the Project Approval Workflow Revision and Monthly Status Reporting Revision | | |
| | teams. Any changes in these areas could impact the requirements of this project. Gaye | | |
| | will follow up with Sharon Hayes to get clarification on the direction of these efforts. | | |
